26 December 1946.

MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE:

The Secretary of War called with reference to the N.I.A. action on the transfer of the Foreign Intelligence Group, Manhattan Engineer District, which had been concurred in by the members of the N.I.A. but had been stopped at the request of the President pending the appointment of the Atomic Energy Commission.

Mr. Patterson said that the Atomic Energy Commission had now been appointed and had had sufficient time to determine their desires in this connection. He would like to have General Vandenberg call an early meeting of N.I.A. to press the necessity for the transfer of the subject group to C.I.G.

E. K. WRIGHT
Colonel, GSC
Executive to the Director.
